Notes

Shareholders who do not want to exercise their voting rights during the Annual General Meeting personally may have their voting rights exercised by an authorised representative such as an intermediary, a shareholders' association, a proxy advisor, other third parties or a designated proxy of the Company. Also in this case a proper registration in accordance with the conditions specified in the invitation to the General Meeting (see "*Participation in the Virtual Annual General Meeting*") is required.

Text form (Sec. 126b German Civil Code (*Bürgerliches Gesetzbuch*)) is generally sufficient to grant or revoke power of attorney or to prove it towards the Company. If the power of attorney is granted neither to an intermediary nor to a shareholders' association, a proxy advisor or a person equivalent pursuant to Sec. 135 (8) AktG (*Aktiengesetz*), the power of attorney may be given either towards the authorised representative or towards the Company. The same applies to the revocation of the power of attorney.

If the power of attorney is given towards the Company, it must be received at the following address or e-mail address by Wednesday, 21 May 2025, 12:00 p.m. midnight (CEST):

Amadeus Fire AG
c/o Link Market Services GmbH
Landshuter Allee 10
80637 Munich
E-Mail: amadeus-fire@linkmarketservices.eu

In the same manner you may also revoke or amend the power of attorney granted.

In addition to the options described above, shareholders who have duly registered for the Annual General Meeting (see "Participation in the virtual Annual General Meeting") also have the option of issuing power of attorney, revoking such power of attorney and providing proof of authorisation to the Company using the password-protected Internet service at <https://group.amadeus-fire.de/en/investor-relations/annual-general-meeting/>. The access credentials required for the Internet service will be sent with the AGM ticket (see "Participation in the virtual Annual General Meeting"). The option to use the Internet service for this purpose will remain open during the virtual Annual General Meeting on 22 May 2025 until, at the latest, the voting session is closed by the chairperson. Any powers or attorney

already issued or of which the company has been notified (as described above) by post or e-mail can also be amended or revoked using the Internet service until this time.

If the power of attorney is given towards the authorised representative, the power of attorney must in principle be proven to the Company in text form (Sec. 126b German Civil Code (*Bürgerliches Gesetzbuch*)). The proof may also be sent to the above address, fax number or e-mail address within the abovementioned deadline.

When granting power of attorney to an intermediary, a proxy advisor, a shareholders' association or other third parties or a person equivalent pursuant to Sec. 135 (8) AktG (*Aktiengesetz*) or to a designated proxy of the Company certain particularities are applicable. Please also consider the notes under lit. a) and lit. b) in the section "voting by proxy" in the invitation to the General Meeting.

If declarations submitted using various transmission methods deviate from one another and it is unclear which declaration was submitted most recently, priority will be given, if available, to declarations submitted via (1) the internet service, (2) via e-mail or (3) via mail. If both postal votes and proxies/instructions to the proxies designated by the Company are submitted, postal votes will in each case be given priority.

Please also consider the further notes in the invitation to the General Meeting.
